15 The draft put up may be approved. There appears to be an overlapping of the provision in regard to lighting in the two Estimates submitted by the Mil Y Sec Y and the Dy: Comm^r. Attention is invited to this in the draft, and the estimates provisionally approved.

16 The Memos are silent regarding the point whether a Guard of Honour should be furnished near the Shimoga Rly Station & at the Falls or not. With reference to this, it is suggested that the draft proposed may be issued, and the file forwarded to the Dewan's office for favour of instructions in the light of precedents. On receipt of instructions a supplementary order may perhaps be issued on this point

From

The Military Secretary to H. H. the Maharaja of Mysore.

To

The Secretary to Government,

General Department,

B A N G A L O R E.

Camp.Mysore,dated , the 12th October 1915.

Sir,

In connection with the ensuing Visit of His Excellency the ... Governor of Bombay to the Jog Falls, I have the honor to request you to be so good as to obtain the orders of Government regarding the following matters:-

(1).Improvements to the surroundings of the Bungalow at Jog.

The Forest Department may be asked to clear the jungle to the right of the bungalow i.e. in the direction of the Falls, and at the back so that the Bungalow and the Camp may be free from danger of... snakes, jungle-leeches &c., as was done in December 1910; and an ... advance of Rs.500/- may be placed at the disposal of the Conservator of Forests for the above purpose.

(2).The road from Shimoga to Jog, and that leading from the Ferry to the Jog Bungalow have to be attended to at once.

(3).The Jog Bungalow and the out-houses have to be white-washed.

(4).8 Fire-places have to be constructed in the kitchen.

(5).A large Motor shed has to be provided for accomodating 6... Motor Cars near the Ferry on the Bombay side. There is already a shed there; but it is not known if it can contain 6 cars.

(6).At some distance from the above shed a small corrugated iron shed with a locked-door has to be constructed for storing Petrol.

(7).The path leading down the hill to the foot of the

19

has to be put in order.

(8).A complete square near the Bungalow has to be got ready for pitching 8 or 10 tents.

(9).The Ferry-boat should be put in working order, and the men in charge of it should be decently clothed.

(10).Arrangements have to be made for fire-works and burning straw to illuminate the Falls on one night.

(11).If the river is low enough, foot-bridges should be ... made across the river above the Falls so as to enable the party to walk across.

Item Nos:2 to 7 inclusive, have to be attended to by the Public Works Department and the remaining by the Deputy Commissioner of Shimoga.

I find from the records that in 1910 when the Governor o Bombay visited Gersoppa, the Deputy Commissioner of Shimoga .. incurred an expenditure of Rs.2300/-. In the same year he spe Rs.2700/- on the Madras Governor's Visit. On this latter occa the Military Secretary spent Rs.2055 for Motor hire alone. I not anticipate such heavy expenditure on this occasion; but should like to be on the safe side, and I request that an adv of Rs.2000/- each for meeting urgent expenses may be sanctio to the Military Secretary and the Deputy Commissioner of Shi and placed in the Shimoga District Treasury, as was done on occasion of His Excellency the Bombay Governor's Visit in 19 and that the Military Secretary and his Office Assistant all to correspond direct with the Deputy Commissioner of Shimoga his Subordinate Officers in connection with the arrangements made for His Excellency's Visit.

Camp Mysore, 15th October 1915.

Dear Mr. Hiriyannaiah,

I enclose for the Dewan's information and approval a memorandum of arrangements in connection with the visit of H.E. the Governor of Bombay to the Gersoppa Falls in November next. The memorandum has been gone through in detail by Mr. Campbell, and revised according to his instructions.

Yours Sincerely,

S.Hiriyannaiya, Esq.M.A.,B.L.
Private Secretary to Dewan,
Camp Mysore.

Memorandum of arrangements connected with the visit of His Excellency the Governor of Bombay and party to the Gersoppa Falls via Shimoga about the 12th November 1915.

I Preliminary.

The party is expected to arrive at Shimoga on the morning of the 12th November, take chota hazari at the Travellers' Bungalow and proceed to the Falls for late breakfast.

2. The party will probably consist of their Excellencies, three A.D.C's and one Military Secretary one European maid with 2 clerks and about 20 servants (some of the servants may be left behind at Shimoga) There will also probably be H.H. the Yuvaraja (with staff) the Honorable the Resident and Lady Daly and Mr. R.H. Campbell.

3. The party is expected to return to Shimoga on the 14th evening, and travel back after dinner at the Travellers' Bangalow.

II Roads.

Shimoga Honnawar road. (Mysore section)

The road from Shimoga to the North Canara frontier is in fairly good condition; and only requires touching up in a few places. The Public Works Department has to see to this, as also to the removal of bamboo clumps and trees that have fallen across or by the side of the road. A few large stones that are lying on the road about a mile beyond Kumsi (188/1) have also to be removed.

Telegraph wires.

2. The telegraph department will be written to about the telegraph wire between Shimoga and Sagar being tightened. It is now sagging in many places to such an extent that a motor lorry or bus will strike against the wire.

Tidying up the sides of the road.

Shimoga,
20th October 1915.

My dear Sir,

On my visiting the Jog camp yesterday I found that the estimate of expenditure in connection with the visit of His Excellency the Governor of Bombay prepared by me at Mysore was an underestimate in respect of several items. Especially is this the case in regard to thatching materials. I had counted on the Amildar being able to cut and stack the grass near the camp and also to procure some straw from neighbouring taluks; but owing to the recent heavy rains (which still continue daily at the Jog camp) this expectation has not been realised, and the only thing that is practicable is to procure zinc sheets.

Enquiries in different places have shown that 300 zinc sheets are available at Davangere, and I am asking the Amildar to purchase these. The Amildar undertakes to see the zinc sheets disposed of again at not less than 80 per cent of their cost price at Sagar.

The price of zinc sheets has latterly gone

an enormously. The price at Travancore is [illegible]
including cart hire to for it may come to more than
[illegible]. But as hardly any thatching materials are
available locally, there is no help for it but to buy
the sheets and dispose of them afterwards. The net
expenditure under this head may come to about [illegible].

There will also be considerable increase under
cart hire. To have provided [illegible] for 75 carts both
ways but already 44 carts have been despatched and I
learn that three more wagon loads of things are coming
from the Government House. I am afraid we shall want at
least 60 carts both ways and the expenditure under this
head will probably go up to [illegible]. Some use is being
made of the palace motor lorry to transport light
articles of furniture but it is learned that it is fre-
quently giving trouble and cannot be depended upon.

I am writing officially for a further advance
of [illegible] being placed at my disposal.

Yours sincerely,

[illegible]

To

D.M. Narasinga Rao, Esquire., B.A.B.L.,
Secretary to the Government of Mysore,
General Department,
Bangalore.

Sir,

I have the honor to note below the expenditure incurred in the Revenue Department up to the 16th instant (according to preliminary accounts now made up) in connection with the visit of His Excellency the Governor of Bombay.

In the District office.	...	...	Rs 600.
By the Amildar Sagar.	...	...	3300.
By the Amildar Shimoga.	...	...	1258.
Total.			Rs 5158

To this has to be added the expenditure incurred by the Deputy Amildar, Kumsi in connection with the erection of sheds for trasport ponies and their feeding at Ayanur and Chordi, the cost of maintaining the Jog camp up to the end of this month, the cost of dismantling the camp, and on account of return transport charges, which may alone go up to Rs 1000/-

In this connection I beg to enclose for the information of Government a copy of a note left with me by Mr. R. H. Campbell, Private Secretary, the original of which has been forwarded to the Dewan.

I have the honor therefore to request that, in addition to the sum of Rs 4140/- placed at my disposal in Government order No.C.37-40-G dated 14th October 1915 a further sum of Rs 2500/- may for the present

I may add that as desired by Mr. Campbell, instructions have been issued for keeping separate accounts of expenditure subsequent to the departure of His Excellency the Governor of Bombay on the 16th instant.

Before leaving for England Mr. Venkata Rao and myself met the Deputy Commissioner and went through the accounts of expenditure prepared by the Amildars of Shimoga and Sagar in connection with the Jog camp and also the Deputy Commissioner's own accounts. I am satisfied that a careful check has been kept over this expenditure and that none of it could have been avoided. The camp has still to be dismantled and this will of course entail further expenditure. The final result will be an increase over the Deputy Commissioner's original estimate. It was almost impossible to foresee this. It was originally thought that the expenditure would be less than that incurred over the Viceroy's visit, but as a matter of fact no reduction was found possible.

It has to be remembered too that this camp was not simply a two days' affair like the Viceroy's camp. Owing to the Resident and party visiting the Falls after Lord Wellingdon had left and also owing to the expected visit of His Highness the Maharaja and Their Highnesses the Maharanis with Col & Mrs. Mc Gann and Mrs. Irvine - it has been necessary, on this occasion to keep the whole camp standing for a period of nearly 3 weeks. This entails the keeping on of scavangers, milch cattle, and lights and lighting establishment and a certain amount of feeding of local officers, who all ~~had~~ have to remain on the spot. The catering charges are also likely to exceed the original estimate for the same reason.

As regards furniture I have been as economical as possible and ~~had~~ have purchased only light cane articles with the exception of a writing table and some Tepoys. Many of these articles will be paid for out of the ordinary Government House grant, and will be kept for future use. I trust that the Government will be satisfied that there has been no wasteful expenditure. It is almost impossible to make an accurate estimate in a case of this kind.

I should also like to place on record my opinion that the use of two lorries for transport purposes has ~~found~~ proved a

Sir,

With reference to the Government orders noted on the margin,

G.O.No.5569-74/G.M. ~~18th February 1915.~~ 18-12-15 dated 2nd November 1915.	Rs 4140/-	placing at my disposal a sum of Rs 6640/- for expenses in connection with the visit of His Excellency the Governor of Bombay to the Jog Falls in November 1915, I have the honor to submit herewith classified statements of
G.O.No.6907-9/L.G.M.182-15-8 dated 2nd December 1915.	Rs 2500/-.	

the expenditure incurred.

1. As the camp had to be maintained up to the end of December 191 and the tents, furniture etc taken to Jog in connection with the Governor's visit were sent back only at the end of December and the beginning of January, the accounts could not be closed earlier.

2. As indicated in my letter No.201/G.55 dated 20th November 1915 and in para 2 of Mr.R.H.Campbell's note enclosed therein, the expenditure includes not only the cost incurred in connection with the visit of His Excellency the Governor of Bombay, but also expenses incurred in connection with the visit of the Hon'ble the Resident and party, and for maintaining the camp till the close of the visit of Their Highnesses the Maharani and the Yuvaraja at the end of December. The accounts have therefore been drawn up in three parts, namely, A expenses actually incurred in connection with the visit of His Excellency the Governor,

B Expenses incurred in connection with the visit of the Hon'ble the Resident and party, and C expenses incurred for the maintenance of the camp up to the end of December. These amount respectively to Rs 5032-5-5, Rs 48-0-0 and Rs 479-13-0 respectively, making up a total of Rs 5550-2-5.

3. In addition to the above the Amildar of Sagar has incurred some expenditure, of about Rs 930/- on account of cart hire for sending back furniture etc taken to Jog for which Rs 450/- has been paid and has applied for the balance of Rs 480/- to meet these charges and the same will have to be given to him on receipt of additional information which he has been asked to furnish. Further a sum of Rs 100/- is due to a Bangalore contractor for kitson lights maintained at the camp until orders were received that the visit of Their Highnesses was postponed to December. The above two and any other small items that may have been lost sight of will probably amount to under Rs 1100/- which is available out of the grant sanctioned by Government. The account relating to this will be submitted in a few days.

4. I have the honor to request that the account now submitted may be passed and forwarded to the Comptroller for necessary adjustment. Each of the abstract statements A,B and C is accompanied by subsidiary detailed statements and vouchers. The expenditure included in the statement A has been incurred by five officers, namely, the Deputy Commissioner, the Amildars of Sagar and Shimoga, the Deputy Amildar of Kumsi and the District Forest officer. The subsidiary statements and vouchers in support of the expenditure included in statement A have been classified and arranged separately for each of the several disbursing officers for convenience of reference.
